

Better together: JRNI + Mercaux

Make your appointments even more personalized by bringing in deep customer insights, product recommendations, and mobile POS. With JRNI + Mercaux, you can build lasting customer relationships that span every channel.

MERCAUX + jrni

WHAT YOU'LL BE ABLE TO DO WITH JRNI + MERCAUX

Drive customer loyalty by building personalized relationships

Convert more customers by providing customer-specific product recommendations

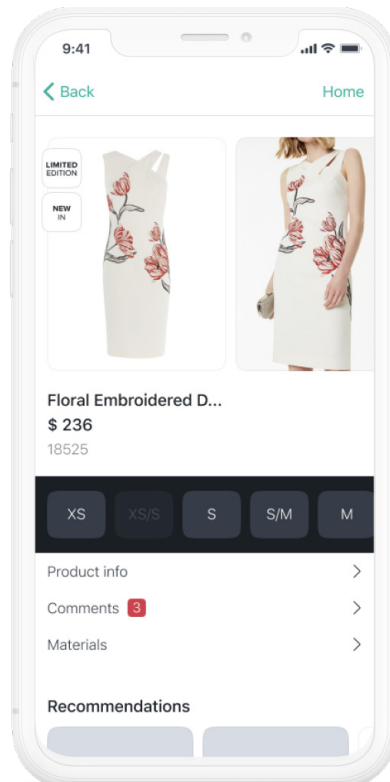

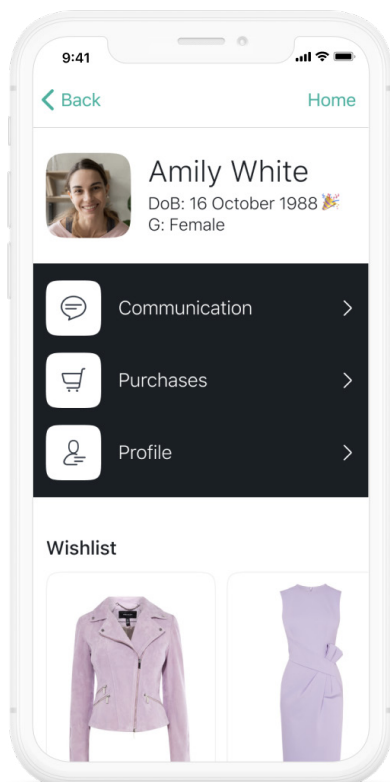

Sell more easily by empowering sales associates with the tools they need

Increase efficiency by optimizing staff schedules

Grow revenue with more customers and more sales

AN EXPERIENCE YOUR CUSTOMERS WILL LOVE

JRNI Appointments allows your customers to schedule one-to-one experiences, both remote and in-person, that help you build personalized relationships while driving conversions, revenue, and loyalty - at scale. By integrating JRNI and Mercaux, you can make sure that your customers get the personal attention they want in every step of their journey.

1-2-3 scheduling.

Customers can book, amend, and cancel appointments in just a few clicks. It's simple, intuitive, and exactly the experience they want.

Seamless integration with Mercaux.

Make that appointment count! Help your store associates give customer-specific product recommendations and then close the sale right from their mobile devices.

Customer profiles for a personalized experience.

Keep track of a customer's purchase history, likes, and dislikes - so any staff member can greet a customer like a friend.

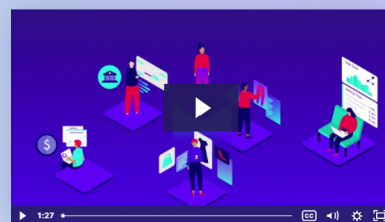

Top-tier analytics.

Make your customers happy *and* understand how it's helping your bottom line. JRNI's industry-leading analytics tool will help you measure and improve ROI.
