

# Better together: JRNI + Reserve with Google

Bring more customers to you by getting them to schedule an appointment - right from their Google search. With JRNI + Reserve with Google, you can offer your customers appointment scheduling options that appear within the search results for your business locations.

Reserve with **Google** + **Jrni**

## WHAT YOU'LL BE ABLE TO DO WITH JRNI + RESERVE WITH GOOGLE

**Book more appointments**  
by promoting services on Google search pages

**Improve customer satisfaction**  
by making it even easier to schedule appointments

**Convert new customers**  
by making appointment options available in search

**Drive customer loyalty**  
by offering frictionless service

## AN EXPERIENCE YOUR CUSTOMERS WILL LOVE

JRNI Appointments allows your customers to schedule one-to-one experiences, both remote and in-person, that help you build personalized relationships while driving conversions, revenue, and loyalty - at scale. By integrating JRNI and Reserve with Google, you can make sure that your customers can book appointments as frictionlessly as possible - even from right within their Google search.

### 1-2-3 scheduling.

Customers can book, amend, and cancel appointments in just a few clicks. It's simple, intuitive, and exactly the experience they want.

### Seamless integration with Google.

Find them where they search! Add a "Book Appointment" button to the Google search results for your business.

### Customer profiles for a personalized experience.

With JRNI, you can keep track of a customer's history, likes, and dislikes – so any staff member can greet a customer like a friend.

### Top-tier analytics.

Make your customers happy *and* understand how it's helping your numbers. JRNI's industry-leading analytics tool will help you measure and improve ROI.
